

Order Form rev 12-2017

For specimen submissions the paperwork we need from you consists of two parts– the **Order Form** and the **Individual Specimen Submission Data Sheet**. We need one **Order Form** for each group of specimens you submit at one time and an **Individual Specimen Submission Data Sheet** for each specimen (set of teeth) in your order.

This Order Form is to be sent with the specimens and Individual Specimen Data Submission Sheet to us for processing. Payment can be check, money order, cash, or credit card (Master Card or Visa).

Mail all submissions, orders, or other correspondence to:

Wildlife Analytical Labs
2814 Brooks St #114
Missoula, MT 59801
(512) 756-1989
customerservice@deerage.com

What to Expect From Us

- Within 5 business days of our receipt of your specimen submission (usually the next day) we will e-mail (or fax if you did not provide an e-mail address) a letter that tells you the exact day we received your order and the latest day we will notify you of the results of our forensic cementum annuli aging of your submissions. Remember our guarantee: **We deliver the results on time or your aging result for that specimen is Free!**
- When we have the results we will:
 - E-mail (or fax if you did not provide an e-mail address) a letter that tells you the results of the forensic cementum annuli aging of your specimen.
 - We will then mail the same information to your postal address given in your submission form.
 - If you ordered a **Certificate of Aging™** for this specimen, it will follow in 2 weeks or less.

Most of all, you should expect from us that we live up to our commitment to provide great customer service and the highest quality analysis. **Customer Service and Quality of Analysis Really are our Priority and Passion.** Frankly, we get as excited as you do about your successful harvest of an old, wise, mature deer.
