

DEERAGE

Getting Started with a Commercial Account

ORDERING OPTION 1

Once you have been approved for a commercial account you will see an order envelopes option inside your dashboard. You can use this to quickly order a batch of 90 day turn around envelopes at no charge.

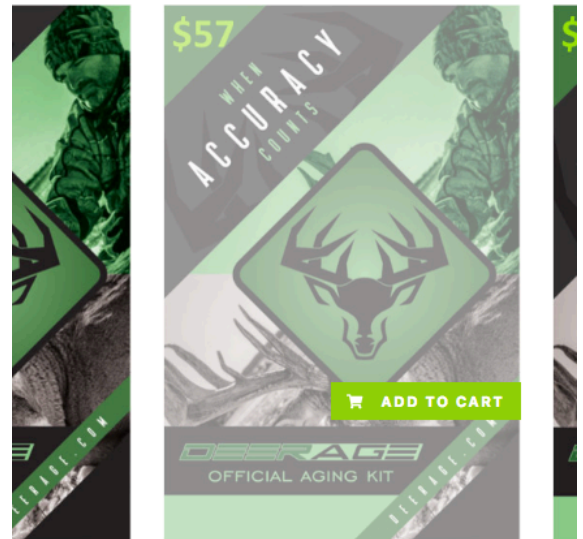

Need To Redeem A Kit? ⓘ

When you are ready to send them in just use the redeem kit feature inside your portal by putting in the numbers from the barcodes on your kits. You will then be charged to submit the samples. If you skip this step we cannot check them in.

ORDERING OPTION 2

If you would like faster service options, visit the store by clicking “got to deerage shop” at the top of the Dashboard. Then, just add kits inside the store to your cart and you can either enter the details or hit later to do it later. You will be charged upon check out for anything you add from the store.
